Highly Absorbent Microfiber Mats

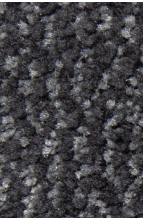

OCEAN BLUE

STARDUST GREY

STORM GRANITE

Traditional Nylon fibers blended with very fine MicroLuxx fibers work together to absorb high levels of dirt and moisture.

Absorbs more than 2 and a half times more moisture than standard carpeted mats.

High Twist heat set microluxx are resistant against crushing and allow dirt to filter into the mat rather than remaining on top of the carpeted surface.

100 % Nitrile EXTM Rubber backing prevents curling and cracking in all types of weather.
